WHO WE ARE

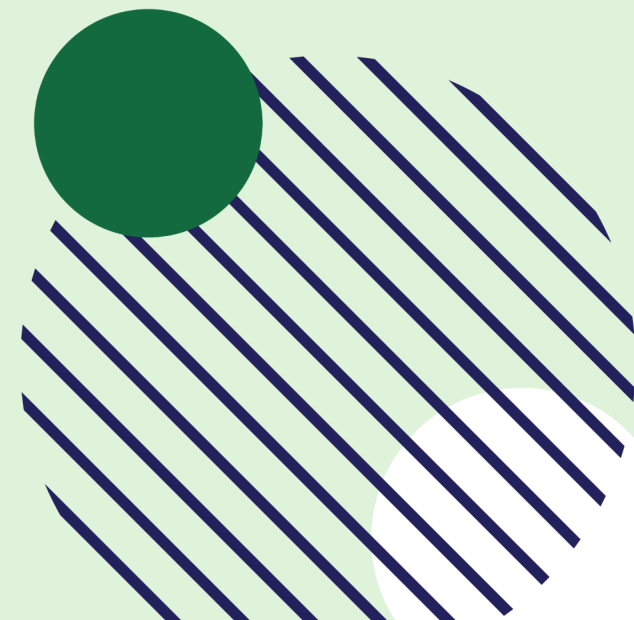

San Martin/Gwinn

San Martin/Gwinn is a 16-acre campus nestled in the scenic countryside of San Martin, CA. Founded in 1895, it holds the distinction of being **the oldest operating school** in the Morgan Hill Unified School District. Over the past 125 years, it has transformed from a small country school serving children from neighboring farms into a vibrant Transitional Kindergarten through Eighth Grade institution with an enrollment of approximately **700 students**, all working together to prepare for the challenges of the 21st century.

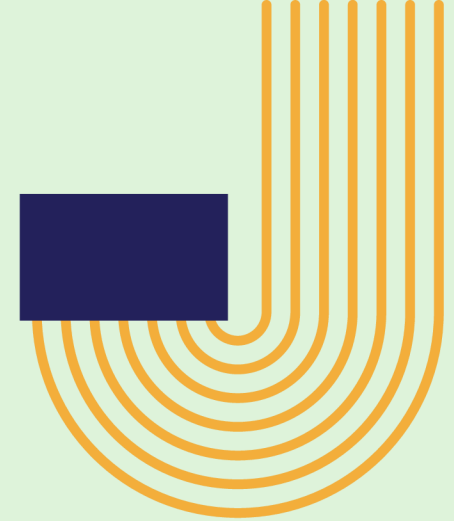

In 2010, the district introduced the Dual Immersion Multicultural Education (DIME) program, a Spanish and English immersion initiative that has become a hallmark of San Martin/Gwinn. **As the district's first immersion program**, DIME has attracted students from across the region, fostering a diverse and inclusive campus rich in culture, language, and community spirit.
